

# The Chemours Company Announces Completion of U.S. Dollar-denominated Term Loan Repricing

November 29, 2024

WILMINGTON, Del.--(BUSINESS WIRE)--Nov. 29, 2024-- The Chemours Company (Chemours) (NYSE: CC) today announced the successful repricing of its Tranche B-3 U.S. Dollar-denominated Term Loan under its senior secured term loan facility due in August 2028.

The repricing reduces the applicable margin in respect of the Company's \$1,070,000,000 senior secured U.S. dollar-denominated term loan facility, the "Term Loan B-3 US\$ Facility," from, at the election of the Company, adjusted Term SOFR + 3.50% to adjusted Term SOFR + 3.00%, or adjusted base rate plus 2.50% to adjusted base rate plus 2.00%. There are no changes to the maturity of the Term Loan B-3 US\$ Facility following this repricing, and all other terms are substantially unchanged.

### **Forward-Looking Statements**

This press release contains forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, which involve risks and uncertainties. Forward-looking statements provide current expectations of future events based on certain assumptions and include any statement that does not directly relate to a historical or current fact. The words "believe," "expect," "will," "anticipate," "plan," "estimate," "target," "project" and similar expressions, among others, generally identify "forward-looking statements," which speak only as of the date such statements were made. Forward-looking statements are based on certain assumptions and expectations of future events that may not be accurate or realized. Forward-looking statements also involve risks and uncertainties, many of which are beyond Chemours' control. Additionally, there may be other risks and uncertainties that Chemours is unable to identify at this time or that Chemours does not currently expect to have a material impact on its business. Factors that could cause or contribute to these differences include the risks, uncertainties and other factors discussed in Chemours' filings with the U.S. Securities and Exchange Commission, including in Chemours' Quarterly Report on Form 10-Q for the quarter ended September 30, 2024, and in Chemours' Annual Report on Form 10-K for the year ended December 31, 2023. Chemours assumes no obligation to revise or update any forward-looking statement for any reason, except as required by law.
